

A vibrant, cartoon-style poster for a Nativity-themed musical event. The background is a deep blue night sky filled with white stars and musical notes. At the top, two angels with large white wings and white robes are dancing and holding hands. To the left, a brown cow with a yellow mane and a pink nose is peeking in. To the right, a white duck with a yellow beak is also peeking in. Below the angels, the title 'Boogie Woogie Nativity' is written in large, stylized letters with a sparkling, mosaic-like texture. Below the title, the text 'Staring Primary 1-3' is written in a bold, black font. Underneath that, the date and time 'When - 16/12/22 Time - 10.30am' are written in a cursive, black font. At the bottom left, a brown horse with a black mane is playing a red and white electric guitar. At the bottom right, a grey sheep with white wool and pink star-shaped eyes is playing a drum set. The drum set includes a red and white snare drum, a red and white bass drum, and a yellow cymbal. A large yellow star is on the front of the bass drum. In the bottom right corner, there is a red box with the text 'Log it!' and a smaller box below it with the text 'Log each song you sing on your CCLI Return'.
