

Welcome to P5 2020-2021

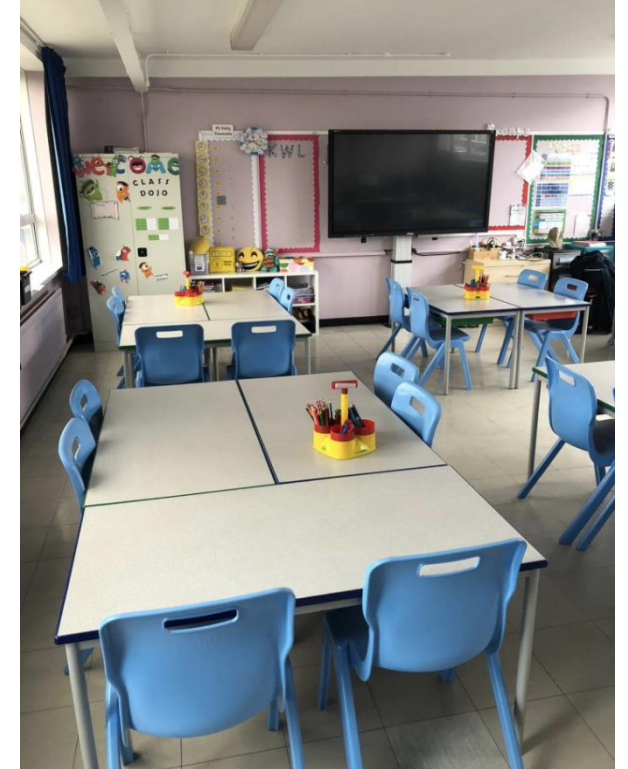

My Class Teacher

I am Mr Mc Garrigle. I am the Class teacher.

My Classroom

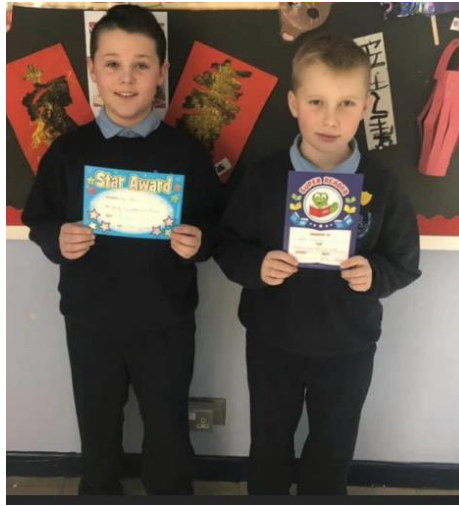

This is the Primary 5 classroom.

Please Note - It may look a little different when you come back to school in September!!

Uniform

Here are some lovely examples of our school uniform. 😊

- Boys – blue trousers, light blue polo shirt, blue school jumper, blue/black socks and black shoes
- Girls - blue skirt or pinafore, light blue polo shirt, blue school jumper or cardigan, blue/black socks or blue/black tights and black shoes

Morning Routine and Leaving School

When you come to school you will arrive and enter through this door. You will go straight to the Classroom.

When you leave school you will leave through this door. You will go through the playground and straight home. Unfortunately you cannot wait for your friends who are in other classes.

Our New Hygiene Routines

When we come into school our hands may be dirty.

We must wash them thoroughly to make sure they are clean.

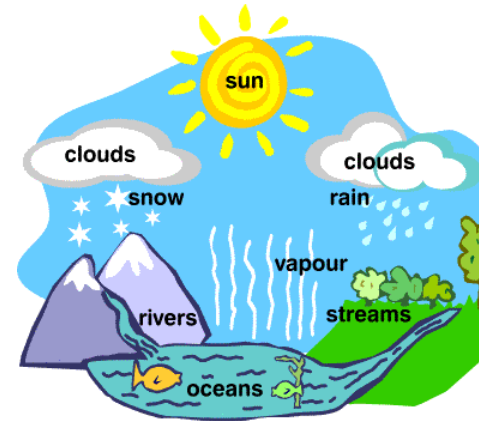

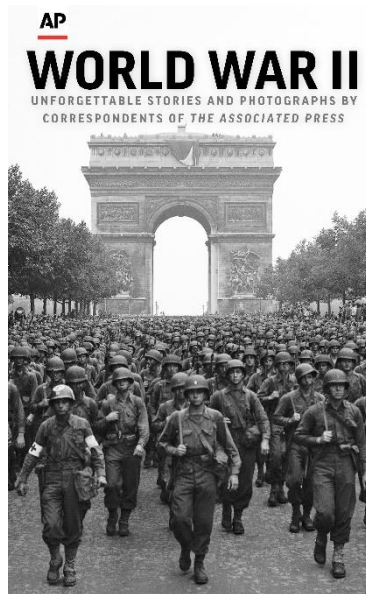

We must wash them regularly throughout the day. Remember only one person at a time!

Class Topics

In P5 we love learning and investigating new and interesting topics. These are your exciting topics for this year:

- WW2
- Ancient Egypt
- The Water Cycle

Homework

- This year we are going paperless for our homework where possible.
- Literacy and Numeracy activities will be completed via Purple Mash or the Home Learning area on the school website.
- Spellings and Tables will be uploaded for home learning and book sent home to complete these in. A book will stay at home. We will still complete tests in school as normal.
- Reading will be set on Oxford Owl Website or Purple Mash 3 times a week. Guided reading and reading activities will continue normally in school.

Please Note: If you cannot access any online systems you must inform the class teacher so we can provide additional support.

Trips and Events

Due to the ongoing risk of COVID-19 we are cancelling trips this year. But don't worry we are going to make our own fun this year in Ballysillan Primary School.

Here are some examples of all the fun things we did last year from experiments, cooking, whole school events, acts of kindness to fun activities with visitors. 😊
